In a few words...

Experienced professional with 4 years of living in Montreal, seeking the next career opportunity. Known for creativity, strong communication skills, and training expertise. Colleagues often refer to me as the "Swiss Army knife" for my versatility. Comfortable with self-directed learning and eager to contribute to a dynamic, passionate team.

My professional background

March 2023 - February 2025

Training and Development Advisor

Les Petits Frères, Montréal, QC

Implemented an online training management platform (LMS) and developed training courses for projects supporting volunteers and employees. Created internal communication materials and assisted in establishing team development pathways.

November 2020 - February 2023

Digital Manager

Eataly Paris Marais, Paris & Montréal

Created the eataly.fr website (in compliance with the company's graphic charter), and implemented an e-commerce platform, as well as all the operational procedures associated with the pick-up, preparation and dispatch of orders. Newsletters, and creation of audiovisual contents.

Janvier 2019 - Novembre 2020

Skills Development and Internal Communications Manager

Eataly Paris Marais, Paris, FR

- Created and implemented the integration and professional development program for the team at the new Eataly store that opened in Paris on 04/12/2019.
- Developed innovative training materials, including graphic design, print, video, blended learning, and e-learning.
- Managed the company's internal communications, including the creation of tools and events.

Octobre 2017 - Janvier 2019

Training Advisors

Elior, Paris, FR

- Developed and updated content, and delivered training programs for France's leading contract caterer.
- Coordinated and supported the network of operational trainers.

2010 - 2015

Company Trainer

Disneyland® Paris, Paris, FR

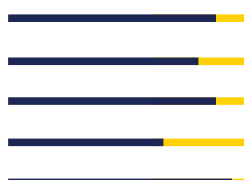

Delivered training courses on integration, service excellence, and facilitation techniques for Europe's #1 tourist destination. Created innovative training materials for both in-person and remote learning.
